Africa's Kingdom of Pleasure

In 1996 Sun International introduced timeshare at Sun City. The staff village at the Lost City was converted and refurbished. This phase consisted of 184 2-bedroom and 50 3-bedroom units that were sold as timesharing on a Club Membership basis – 2012 Membership. This new concept of timeshare became the fastest selling project of its kind in South Africa. Due to the success of the Sun International Vacation Club timeshare units and demand for holiday accommodation at Sun City, another phase of sales of 148 luxury 2-bedroom units commenced in February 2004. This, too, proved a huge success. Now, Sun International Vacation Club has responded to the demand from its loyal timeshare customers to provide a new timeshare product. The Sun International (South Africa) Ltd, Board of Directors has approved the re-launch of timeshare at Sun City!

Vacation Club accommodation is the ideal choice for families who want the relaxation and leisure of a holiday, with the comforts of home. These self-catering accommodation options are nestled within the Sun City Resort and offer access to all the facilities and amenities of the casinos, hotels and entertainment areas.
