**SUN INT - G** Wild Coast Sun Main Bizana Road Eastern Cape 5,2 km south of Port Edward Kwa-Zulu Natal

Set on the rugged, beautiful and unspoiled beaches of the South Coast in the Eastern Cape, the Wild Coast Sun Resort and Casino is a popular Sun International destination offering exceptional Wild Coast accommodation. Visitors are attracted to the Wild Coast Sun, not only for its natural splendour, but also for the fabulous facilities and world-class golf course that can be found at the venue. The Wild Coast Sun is set on 750 hectares of natural bush between the Mtamvuna and Mzamba Rivers with gorgeous accommodation overlooking the Indian Ocean. Although it is in the Eastern Cape, it's only a kilometre south of KwaZulu-Natal, so it receives a lot of support from local KwaZulu-Natal and Eastern Cape residents. In 2011, the Wild Coast Sun underwent a major refurbishment to improve the casino, restaurants and bars and introduce a new water park, Wild Waves. This fine example of Wild Coast accommodation caters to a wide variety of different people, from tourists, to local day visitors, conference delegates and those just passing through.
