

CASINO CARD NAME:**Monte Casino****CASINO PROFILE:**

Montecasino is a leisure and casino complex located at No.1 Montecasino Boulevard in Fourways, Sandton, Johannesburg, Gauteng, South Africa. Montecasino is built on 26 hectares of land. It was designed and built by South African architect company, Bentel Associates International, at a cost of R1.6 billion rand. It first opened its doors on 30 November 2000. It currently attracts over 9.3 million visitors annually. It is themed after Monte Cassino. It has been meticulously designed to replicate an ancient Tuscan village. The main building with the casino even has a fake sky, painted on the roof, inside going from light to dark from one side to the other.

Montecasino is owned by Tsogo Sun. Tsogo Sun is a partnership between Southern Sun and Tsogo Investments. Tsogo Investments is a black empowerment group and the hotel component of Tsogo Sun's casinos are developed and managed by Southern Sun. Tsogo Sun holds the casino license for Montecasino
