Fish River Sun Hotel & Country Club Resort

SUN INT - A Fish River Sun Hotel and Country Club Resort is situated in the heart of the Eastern Cape's popular Sunshine Coast, nestled between the Great Fish River and Old Woman's River. This stunning example of fine Eastern Cape accommodation is a short distance away from the Indian Ocean and is surrounded by breath-taking vantages of nature and unspoiled beaches. Guests of Fish River Sun have a wealth of activities to take advantage of, from golf to nature trails, to fishing, lounging on the beach and a number of kid friendly experiences. The area's rich cultural history lends itself to creating the ideal opportunity for those who want a holiday and adventure all rolled into one. For those who want to take some time out to relax, the on-site spa offers the perfect opportunity to do so. For guests' convenience, there is accommodation offered as both Fish River Sun hotel accommodation as well as luxury self-catering accommodation. Full conferencing facilities are available as well as an on-site restaurant and bar. Fish River Sun offers the perfect venue to host your next event or conference; perhaps even a romantic out-of-town wedding? Situated on the R72, the resort is the ideal stopover between the west coast and east coast on the main coastal route between Port Elizabeth and East London.
